(Finest book on this topic...I have been looking for this all my life)

Sanders, John. *The God Who Risks: A Theology of Divine Providence*. 2nd ed. InterVarsity, 2007. (Don't be put off by the hysterical reactions to Open Theism, this is an extraordinary book).

Books arguing that God can bring people to salvation in contexts where the gospel has not been preached

(Best book on the topic which objectively explores the options)
